Annual Employer Allocation Report Now Available on the Plan Sponsor Website

We are pleased to announce that the Annual Employer Allocation Report for the period ending June 30, 2013 is now available online through the Plan Sponsor website. It is our hope that by making these available online, you will have a more convenient and secure way to access these reports and other important and useful plan information in one single location.

To access the reports, simply log in to the Plan Sponsor website by going to www.midamerica.biz. Once you've logged in, click the link for "Reports" and click on the tab labeled "View Reports." If you need assistance logging in to your Plan Sponsor account, please contact our Account Services Department at 1-855-329-0095 and a Representative will be able to assist you.

Going forward, you will receive an email notifying you that your annual reports are available on the Plan Sponsor website. If you prefer to continue to receive this information through the mail and on a CD, please let us know and we will be happy to make those arrangements for you.

Additionally, if you haven't already, you will soon be receiving an amended HIPAA Agreement to incorporate new required language as a result of the HIPAA HITECH final ruling. The amendment must be completed by September 23, 2013 to remain in compliance with the new rules.

We thank you for the opportunity to provide you and your plan participants with friendly and efficient customer service. Please let us know if you have any questions.
