STEP 5 Authorization

I request payment from the reimbursement account for the expenses listed above in Step 2. To the best of my knowledge, my statements on this form are true and complete. I certify that all expenses for which reimbursement or payment is claimed were incurred either by me, my spouse or my eligible dependent(s). I understand that a medical expense is considered incurred when medical care is provided to me or my eligible dependent(s), not when I am formally billed, charged or have paid for the medical care. Therefore, I understand that insurance premiums must be incurred prior to reimbursement, and I cannot be reimbursed for an entire year of premiums in advance. I certify that the medical expenses in this claim are eligible for reimbursement and are "qualifying expenses" as defined by the Internal Revenue Code Section 213(d). I understand that, if these medical expenses are not qualified medical expenses, I may be liable for the payment of all related taxes on amounts received pursuant to this claim. I certify that the medical expenses claimed are not covered by insurance and have not been reimbursed or cannot be reimbursed under any other health plan coverage. I certify that I have not previously submitted this claim for reimbursement and that this is not a duplicate claim. I take full responsibility for the accuracy of all information I have provided. I further understand that reimbursed expenses cannot be claimed as a credit on my personal income tax return.

If I provided direct deposit information in Step 3 of this claim form, I authorize MidAmerica Administrative & Retirement Solutions to deposit my HRA and/or FSA claims directly into my account until I give further written notice to MidAmerica. I understand that it may take up to 72 business hours from the time MidAmerica processes my payment for the funds to post to my designated bank account. Also, I grant MidAmerica the right to correct any electronic funds transfer resulting from an erroneous overpayment by debiting my account to the extent of such overpayment.

As part of the Affordable Care Act, the DOL has mandated employees be permitted to either irrevocably suspend their HRA for a fixed period of time or permanently opt-out of the HRA by forfeiting their account balance and waiving any future contributions. Electing either option would preserve the eligibility of an individual to claim a Code § 36B premium tax credit, otherwise known as a Premium Subsidy for Healthcare Exchange coverage. Should you choose to suspend your HRA, you, your spouse and any qualifying dependents will cease to have access to the HRA during the suspension and will be ineligible to incur any new expenses for reimbursement during the suspension. For your account to be reactivated, MidAmerica must receive a written notice requesting the account be unsuspended. Please be advised that the account becomes available at the start of the plan year following the request to unsuspend.
